Final Note by the Third Member of Council.

Subject:-

Award of the Maharaja's Police Medal.

---

201) I submit herewith the recommendations of the Inspector General of Police regarding the grant of the Maharaja's Police Medal, the institution of which was sanctioned in Government Order No.G.4348-9 Police 188-18-4 dated 21st August 1919.

202) 2. The medal is intended as a mark of recognition of acts of exceptional courage and skill or conspicuous devotion to duty by members of the Police Force. Among those recommended by the Inspector General there is only one, viz., Constable Thirumalaswami Naidu of the Special Reserve Police, who can be considered as worthy of this recognition. At considerable risk to his own life, this Constable captured the notorious outlaw, Kanneswar Rama, who was a proclaimed offender of the Dharwar District and who after committing several heinous offences in that ~~Dharwar~~ District escaped into the Shikarpur Taluk of the Shimoga District. In a previous attempt of our Police to arrest him he shot dead one of our police constables & thence forward he led a reckless life committing several offences in the British Territory which elicited a loud complaint on the part of the British authorities. The award of the medal to the constable referred to above will be a well-merited recognition of his services in this connection.

203) 3. The Dewan agrees with me in the above view and I accordingly beg to recommend that the Maharaja's Police Medal be awarded to Constable Thirumalaswami Naidu at the Dasara Durbar on the 24th instant

Dear Sir,

In continuation of ours of the 16th instant we now beg to return by registered post the two Maharaja's Mysore Police Medals fitted with brooch bars and ribbon, and which we trust will reach you safely.

The Ribbons with which we have supplied the medals is the nearest we have of the description given in para 5 of the rules relating to ~~the~~ its award. We have the British good-conduct medal ribbon which very nearly corresponds to the description, but this it would not be in order to use, as it is a registered pattern issued by the War Office, and it would never do to utilise it for anything else, but for what it is intended. We have explained this to the gentleman who called to see us from your department, and we trust in the circumstances the ribbon we have utilised will do. If desired we could get a special pattern more nearly or exactly approaching ~~the~~ your requirements especially out from Home, but we feel sure His Highness' Government will not care to adopt ~~the~~

pattern of ribbon which is already in use in the British Army, and indeed it cannot be done. We enclose a small piece of the British good-conduct ribbon, and no doubt could get something very like it from Home to be exclusively used with the Maharaja's Mysore Police Medal. If the ribbon we have used will not do.

We are, Dear Sir,

Yours faithfully,

No. 1546, Judicial, 16th November 1909.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT

Read-the following paper:--

Letter-from Sir Harold Stuart, K.C.V.O., C.S.I., Secretary to the Government of India, Home Department. (Police)

To - the Chief Secretary to the Government of Madras.

Dated- Simla, the 6th October 1909.

No. 926.

I am directed to forward a copy of a despatch from the Secretary of State No. 82, Political, dated the 20th August 1909, and of its enclosures, together with the correspondence noted in the margin, relating to the establishment of "the King's Police Medal". The Statutes establishing the medal and the Regulations governing the grant thereof, are being published in the Gazette of India, for general information. Regulation 2 provides that a list of officers recommended by the Secretary of State for India shall be forwarded to the English Home ~~Department~~ office in the month of October in each year. I am accordingly to request that the Government of India may each year be furnished not later than the 15th of August with a list of the officers whom the Government of Madras may desire to recommend for the grant of the medal, together with the particulars required under paragraph 3 of the Regulation.

(1) Despatch from the Secretary of State, No. 119, Political, dated the 20th September 1907, and enclosures.
(2) Despatch to the Secretary of State No. 3 (Police) dated the 13th February 1908.
(3) Despatch from the Secretary of State No. 124, Political, dated the 30th October 1908, and enclosures.
(4) Despatch to the Secretary of State No.2 (Police) dated the 28th January 1909.

2. The total number of medals to be awarded in any year for service in India is limited to fifty. In the selection of names for recommendation to the Secretary of State, the Government of India will endeavour to preserve a uniform standard of qualification for all parts of India, so far as is possible on the information at

their disposal. The application of this principle may in some years involve the award of a disproportionately large number of medals to officers serving in one or more particular provinces; and the Government of India therefore do not propose to allot to each province a fixed number proportioned to the strength of its police force, but to allow the provincial recommendations to exceed considerably the strictly proportionate figure. The Government of India will therefore be prepared to consider such number of recommendations as the Governor in Council may think fit to make up to a maximum of 10 in any year. As it will no doubt frequently happen, under this arrangement, that the Government of India will be unable to accept all the recommendations made by local Governments, I am to request that the names of the officers recommended may always be placed in what the local Government considers to be their order of merit. The particular acts or services on account of which the recommendations are made should be described as concisely as possible, but at the same time with sufficient detail to enable the Government of India to judge accurately of their value It will be convenient if names are submitted in a tabular form giving the rank of each officer, the head or heads of Regulation 6 under which the recommendation is made and the information regarding his qualification for the grant of the medal.

3. I am to add that there seems to be no objection to recommendations in favour of officers who have recently retired from the Police.

No. 1546, Judicial, 16th November 1909.

Enclosures.

King's Police Medal.

The King has been pleased to issue a warrant under his Majesty's Royal Sign Manual to the following effect:--

EDWARD, R & I.

Edward the VII, by the grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King Defender of the Faith, Emperor of India, to all to whom these Presents shall come: Greeting:-

WHEREAS We have taken into Our Royal consideration the good services which are rendered by officers of the Constabulary forces and by persons serving in Fire Brigades within Our Dominions and in Territories under Our Protection or Jurisdiction and the heroic acts of courage and instances of conspicuous devotion to duty of such persons which are from time to time brought to Our notice:

And whereas We are desirous of distinguishing such meritorious conduct by some mark of Our Royal favour:

We do by these Presents for Us, Our heirs and Successors, institute and create a new Medal to be awarded for such acts of courage and conspicuous devotion to duty.

Firstly.- It is ordained that the Medal shall be designated and styled "The King's Police Medal".

Secondly.- It is ordained that the King's Police Medal shall consist of a circular Medal of Silver ~~xx~~ with Our Effigy on the ~~xxxxxx~~ obverse, and on the reverse a design emblematic of Protection from danger, and shall bear on the rim the name of the person to whom the Medal is awarded.

Thirdly.- It is ordained that the Medal shall only be

awarded to those of Our Faithful Subjects and others who being members of a recognised Police Force or of a properly organized Fire Brigade within Our Dominions or in Territories under Our Protection or Jurisdiction, have performed acts of exceptional courage and skill or have exhibited conspicuous devotion to duty; and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Fourthly.- It is ordained that the names of those upon whom we may be pleased to confer this Decoration shall be published in the London Gazette and that a Register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

Such Register shall show the name and rank of the person holding the Medal the Police Force or Fire Brigade of which he is or was a member, and particulars of the action for which the Medal has been awarded.

Fifthly.- It is ordained that each Medal shall be suspended from the left breast, and the riband, of an inch and three-eighths in width, shall be dark blue with a narrow silver ⅛ stripe on either side.

Sixthly.- It is ordained that any act of gallantry which is worthy of recognition by the award of the King's Police Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a Bar attached to the riband by which the Medal is suspended; and for evey such additional act an additional Bar may be added.

Seventhly.- In order to make such provision as shall effectually preserve pure this honorable Decoration, it is ordained that if any person on whom the Decoration is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, this Medal shall, by an especial Warrant under

65

Our Royal Sign Manual, be forfeited, and his name shall be forthwith erased from the Register of those upon whom the said Decoration shall have been conferred. And every person to whom the said Medal is given shall before receiving the same enter into an agreement to return the same, if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such forfeiture.

Given at our Court at Saint James's, the seventh day of July, one thousand nine hundred and nine, in the ninth year of Our Reign.

By His Majesty's Command. H.J.Gladstone.

The following Regulations shall be observed in recommending His Majesty to grant the King's Police Medal:--

(1) A list of the names of officers of recognized Police Forces, or of properly constituted Fire Brigades, who are recommended for the Medal, shall be submitted once in each year to His Majesty by the Secretary of State for the Home Department.

Provided that a recommendation may be made at any time when His Majesty so commands.

(2) A list of officers recommended by the Secretary of State for the Colonies and the Secretary of State for India shall be forwarded to the Home Office in the month of October in each year.

(3) Each list shall contain the name and rank of each person recommended, the Police Force or Fire Brigade of which he is or was a member, and particulars of the action or service for which the grant of the Medal is recommended

(4) The number of Medals awarded in any one year shall not exceed one hundred and twenty, of which at the most forty shall be

awarded for service in the United Kingdom of Great Britan and Ireland, the Channel islands, and the Isle of Man, thirty for service in His Majesty's Dominions beyond the Seas, and fifty for service in the Empire of India.

(5) In very special circumstances, which, in His Majesty's opinion, would justify an exceptional grant, His Majesty may award Medals exceeding the above number.

(6) The qualifications for the grant of the Medal shall be as follows:--

(a) Conspicuous gallantry in saving the life and property, or in preventing crime or arresting criminals; the risks incurred to be estimated with due regard to the obligations and duties of the officer concerned,

(b) A specially distinguished record in administrative or detective service.

(c) Success in organising Police Forces or Fire Brigades or Departments or in maintaining their organization under special difficulties.

(d) Special services in dealing with serious or widespre outbreaks of crime or public disorder, or of fire.

(e) Valuable political and secret services.

(f) Special services to Royalty and Heads of States.

(g) Prolonged service; but only when distinguished by every exceptional ability and merit.

Whitehall,
July 7, 1909. H.J.Gladstone.

2. The Inspector General of Police is requested to forward to Government not later than the 15th July of each year a list of the officers whom he would recommend for the grant of the medal. The list should be prepared in accordance with the instructions given in paragraph 1 and 2 of the letter from the Government of India.

3. The attention of the Inspector General is drawn to His Majesty's rules and ordinances in respect of the Police Medal, which lay down that the medal shall be awarded to persons who have performed acts of exceptional courage and skill or have exhibited conspicious devotion to duty.

4. Though the number of recommendations for the medal to be made by this Government to the Government of India is limited to ten in any one year, the Inspector General ~~of Police~~ should, if he considers that there are more than ten men in the force who comply with the requisite conditions, submit their names, in order that the Government may have a field of selection.

OFFICE OF THE

My dear Sir

I enclose a statement embodying my recommendations for the award of the Maharaja's Police Medal this year

Yours sincerely,

S. Balasundaram Iyer, Esqr., B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore.

List of Police Officers and men recommended for the award of the Maharaja's Medal, during the year 1919.

No.	Name	Rank	Services rendered
	Tirumalaswami Naidu	Constable, Provincial Special Reserve Police Force.	Caught one Koramar Rama, who committed murders both in British India and the Mysore State, and was a terror to the people in parts of Shikarpur and Sorab Taluks. Though a constable acting under the control of others, he interested himself in the matter, secured information about this armed desperado's movements and caught him finally, though he bit the constable's hand. The Deputy Commissioner is of opinion that this constable deserves the Medal, and I heartily support him. He will get a money reward also.
2	Rajasabhabhushana Diwan Bahadur C. Srikantesvara Aiyar, B.A. B.L.	Retired Inspector General of Police	Was Inspector General for fully five years and was responsible for the police arrangements when His Excellency the Viceroy Lord Hardinge visited the State in 1913. His services on that occasion have been appreciated both by the Government of India and His Highness the Maharaja. The Medal being a departmental one, it is fitting that Mr. Srikantesvara Aiyar should get it.
3	Mr. A. B. Hayes	Superintendent of Police	Detected the triple murder case of Ummallu in the Hosakote Taluk and other murder cases also of this series. Though the circumstances suggested that the relations of the deceased persons should have been the perpetrators, Mr. Hayes went deep into the matter and unearthed the gang responsible therefor. In addition to the medal, a money reward also will be proposed.
4	Mr. B. Abdul Gani	Acting Assistant Superintendent of Police	Was for a long time in charge of the Detective Department of the Kolar Gold Fields Police, and detected many cases getting money rewards His vigilance was such that the object of maintaining the Detective Branch has been fuuly gained and thefts of gold have become very scarce.

Sir,

In continuation of our letter of the 12th inst, we now pleasure in submitting two designs for H.H the Maharaja's Police .s, and trust they will meet with approval, but should this ɔe so, we will be glad to submit fresh designs. We find that Draftsman has styled it "The Mysore Police Medal". If this is a ake, it can be easily altered to "His Highness the Maharaja's ce Medal"; and in design No.1.you will notice that we have adde word "Instd" (Instituted) "1919." This has been inserted to take u vacant space, and if the word "Maharaja" is to be shown, this could mitted. The drawing of the Reverse for No.1.has been taken from ;ock Die, so that if this Reverse design is approved of, it will e the expense of cutting a Die. If anything however has to be nged, then it will be necessary to cut a fresh Die.

In No.2. Design the Obverse could be given to show the ds "Mysore Police", and in the Shield below the Crest, we could

The Chief Secretary,
to the Govt. of His Highness the Maharaja of Mysore,
BANGALORE.

Dear sir,

With reference to your personal interview with our Mr. Barton to-day in connection with the proposed Police Medal, we beg to say that we could show on the obverse a portrait of His Highness the Maharaja of Mysore, but this particular die we would have to get cut in England. The cutting of a portrait die is a very difficult matter, and unless it is done by a very expert workman it is bound to be a failure; and we must confess that we have no one here, nor do we for a moment believe that there is any one in India who can do this class of work satisfactorily.

As only a few medals would be required annually, we would suggest that the dies should be purchased by Government so that subsequent medals may be struck from them at a moderate price. If the cost of the dies is to be borne by us, and only a few medals ordered annually, then it would be necessary for us to charge what would look a very expensive sum for each individual medal; but if the dies were purchased out-right by Government, they could always be utilised,

NOTE—Contn. sheet.

95

nd provided no accidents happen during the process of striking, the dies would be good for many years. There is of course the risk of fracture which right occur at any time during the operation of striking. We ourselves have dies which have been in use for many years, and hundreds of impressions struck fror them, while on the other hand we have had dies fracture after being struck only ½ dozen times or so. We would of course see that only the very best steel is employed and we think it would be as well to have a dozen or two struck in the first instance and kept in stock against the yearly orders which may probably run to 3 or 4 medals per annum. The reverse dies we could of course cut here and future orders could be struck in our die press here after the dies themselves have been sent out.

If His Highness should decide on having the obverse to show his portrait, we would suggest that a special set of new photographs be taken so that the artist at home may have all the advantages at his disposal for obtaining a good portrait. If a full face portrait of His Highness is required, we would take this, and at the same time take two or three more, showing a side face, to enable the artist at home to get everything as near and correct to life as possible.

Awaiting your commands and always at your service,

We are, Dear sir,

Yours faithfully,

Dear Sir,

We are in receipt of your letter No.G8149 dated the 15th instant with two Maharaja's Mysore Police Medals and will have these fitted with ribbons and brooch bars as described to you when you called yesterday. These will be forwarded as instructed to the Chief Secretary, Camp (Indian Guests Quarters) Mysore so as to reach him on the 20th instant. We fortunately have in stock the ribbon to answer the description laid down in para 5 of the rules relating to the award of the medal, except that what we have is 1½" in width and which as a matter of fact is what it should be. The rule lays it down as 1" which is obviously too narrow and it would be as well if this could be altered.

Dear Sir,

In reply to your letter G.1086 Pol.168-1836 dated the 2nd December 1920, we beg to submit separate bills as requested in place of our Bill dated the 31st October 20.

With reference to your closing para, we beg to say that the dies for the Maharaja's Police Medal are in England. We had them specially cut there owing to the difficulty of obtaining satisfactory steel at the time in India, and which is still a matter of great difficulty to obtain. They are of course the property of Government, but may we suggest that they be retained in England in view of any further medals being required. If however you particularly desire that the dies should be sent out, we will write for them and deliver them in due course.
